## *Dedication to the Alumni*

In fond recognition of those who have reaped the benefits of their education at Saint Mary High School we dedicate this yearbook to our alumni. Time has altered many things, but it has not changed the loyalty and devotion of these former students to their Alma Mater. The living proof of this can be found in the hundreds of men and women who in all parts of the world are using the education they received in our school.

We think often of those who have gone before us, who have set the example of good living, and who by their generosity have helped in no small measure to make our new Saint Mary High a possibility.

Our good wishes and prayers go out to those who are continually meeting life's problems with perseverance and courage. May their efforts be rewarded with happiness and peace in mind and spirit.

#### Farewell to Father Boland

Whoever said that parting is a little like dying was right, for surely when Father left us there was a heavy weight of sorrow in every heart. His never-interrupted teaching, jovial laughter, and pleasant smile are truly missed. This sincere farewell is but a small token of our appreciation.

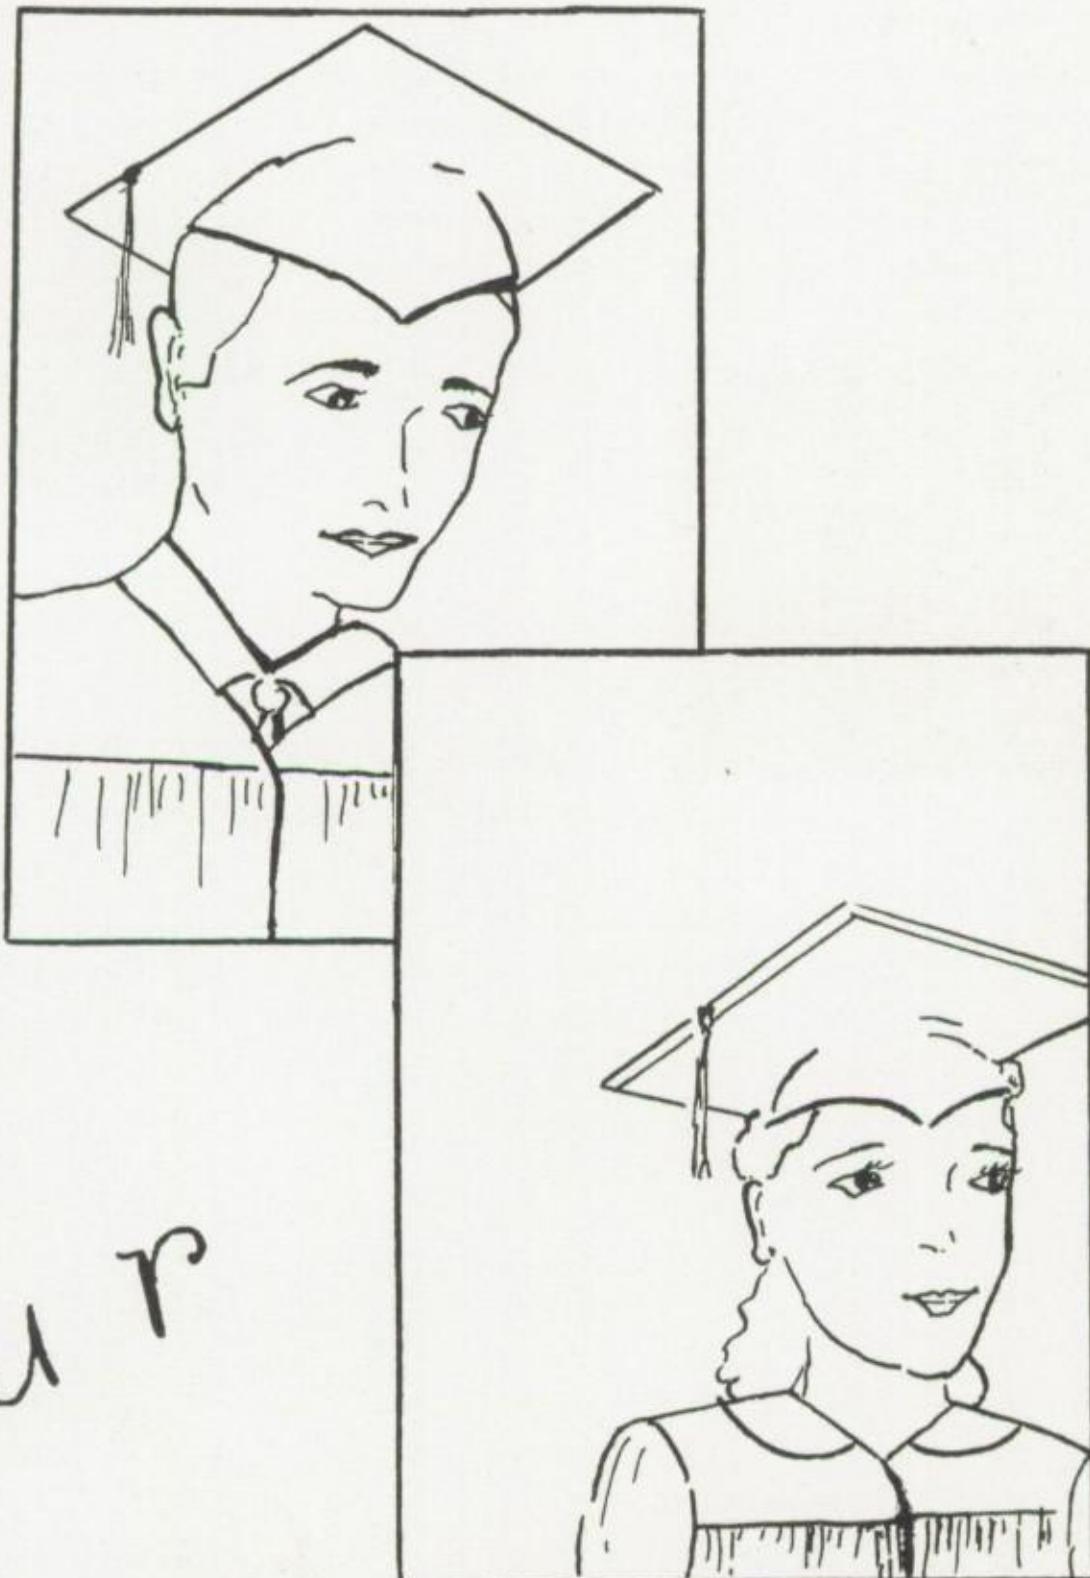

Philemon Paquette

#### Farewell to Sister Mary Delia

Sadly, we, the class of 1962, say farewell to Sister Mary Delia who was our devoted teacher and true friend. We are deeply indebted to her for all she did for us and regret that she will not be here to see us graduate. Our love, prayers, and gratitude are hers.
